Dear Valued Patient,

Dr. Wladecki had a true passion for life in all ways. He took great pride in sharing that passion for life in the way he took care of his patients, and was committed to providing the highest quality care in a personal and accessible way for over 30 years. He will truly be missed by all.

*~ In Remembrance ~*

Dr. Wladecki

Despite this great loss, we are fortunate that our practice has found a way to continue providing the same comprehensive, personal, and quality care that Dr. Wladecki and the practice has been committed to. Dr. Bert Brown will now be seeing patients at our Westlake office as of October 19, 2018.

Dr. Brown

Dr. Brown has been practicing in Cleveland for over 30 years as well, primarily on the east side of Cleveland at Cleveland Ear Nose and Throat. His philosophy in providing care for his patients mirrors that of Dr. Wladecki. You can learn more about his practice on his website at: [physicianhearingcenters.com](http://physicianhearingcenters.com). Please reach out with any question you may have. We look forward to continuing to provide the highest quality ENT care that you have become accustomed to.

In addition, Westshore Hearing Center will continue operating as well, under Physician Hearing Centers, one of the premier hearing centers in Ohio that provides the most complete and up to date hearing care possible. We ask all current and new patients to please reach out to learn about the exciting new hearing care capabilities we have to help patients hear better.

With Warmest Regards,
